December 2004

Dear Sir/Madam + I have done Master in Mathematics from Punjab University (PAKISTAN) and also have some basic computer qualification. I am doing a teaching course at the moment. I already completed stage one of City & Guild + from Redbridge College and doing City & Guild (stage two) from Epping Forest College at the moment. I have three years experience of teaching from Al-Markaz Computer College. Now I am teaching at Redbridge College as a part time Teacher in Mathematics to GCSE, BETEC and A-LEVEL and I am seeking an employment as a Teacher in Mathematics

.

My detailed CV is enclosed for your perusal. I would appreciate if this application may be considered for a position of Mathematics

Teacher.

As an intelligent, enthusiastic and motivated individual who is eager to prove himself, looking for a chance to meet you personally in order to discuss any relevant job opportunity available within your School/College. I am also capable of working in time-pressured environment and capable of making decisions, which are suitable for the
organization.

I am highly flexible & available at immediate basis.
I am authorized to work in this country on full time permanent basis.

Looking forward to your interview call and job offer.

Thanking in the anticipation. + Kind regards,

Qaisar + A, *****
