MORE INFORMATION
My style of teaching is dialogue based emphasizing on conceptual understanding. Students have differing capacities, hence attempt is focussed on carrying the class along. This is the value I cherish very close to my heart and this is the mission of my
life.

I keep updating on new skills and methods that are in vogue in order to improve the tutoring continuously
.

PREFERENCE : Though I can handle English Maths Science equally efficiently I am applying for teaching Maths for std 10th and some topics of 11th and 12th Science in your
Institute
