Online option:

Subject:

English, History, Business Studies

qualification:

A-levels in English (A), History(A), Business Studies(B).

level:

Primary school, SATs, GCSE

details:

As I am quite young (19) I explain the material in a much clearer and more relaxed manner, which I find benefits the pupil. Another advantage of my age is that I have been put through the exact same syllabus as the student. Therefore I am able to relate to possible problems they are having, or add emphasis to particular areas which examiners find important. I am extremely patient as I can still remember what school and college was like. I have very flexible hours, and will make myself available for last minute sessions before exams
etc.
