Details:

I am a very patient, motivated and motivating person, have passed M.Sc in Quantitaive Finance from Mancester University with distinction and this September(2008) would start my PhD with the university. I also hold a degree in Computer Science and an undergraduate degree in Mathematics. I have total of 5 years of teaching experience and for 2 years have taught Mathematics and ICT to KS3 and GCSE students. I can offer tuition for Mathematics and ICT to students (individuals or small groups) in preparation for their SATs and GCSE Level exams. With a proven record of examination success and experience of setting and marking courseworks and exam scripts, I can help students learn examination techniques to maximise their potential for best examination results. Also have CRB disclosure
certificate.
