Details:

I am a very enthusiastic and approachable tutor. Having taken both GCSE and A-Level exams very recently, I am extremely familiar with the syllabus, and using exam technique. I have had experience tutoring pupils for GCSE English Literature and Language before, and I am very patient. I'm not afraid to tailor my approach to each individual, and students are often more willing to ask someone nearer their own peer group for help than a more intimidating
adult.

I am able to tutor pupils in GCSE Maths, English Literature and Language, and Biology, as well as AS Level
Maths.
