Nachhilfelehrer/in ID: 19806

Ort: 75003 Paris, France

Online-Option:
Ich bevorzuge Unterricht vor Ort, aber schließe Onlineunterricht nicht aus.

Fächer:

Physics, Chemistry, Mathematics

Qualifikation:

Masters in Physics, License in Mathematics

Niveau:

Lycee, International Baccalaureat, , French Baccalaureat

Details:

Inspired by my love of science and guided by my experience, my style is to:

- focus on increasing confidence and efficiency.
- adapt to the teacher's style and to the student's abilities.
- interest the student in the subject, and thereby impart deep and lasting understanding.

- Confirmed experience in SAT, AP, IB (International Baccalaureat)
- Classes at your home, at school or at my home in Paris (3rd arrondt)
- Great availability during the week or the week end.
- Often only a few classes result in significant improvements.
- No commitment required, first introductory session free, reasonable rates.

-References available from schools (IHS, University High School): teachers, students and parents.
-French native and U.S. citizen, I teach in English or French.
-Master's Degree in Physics, professional physicist.
