Details:

Konnichiwa everyone!
Teaching was my career and i LOVE teaching and helping people.
I was an English teacher for three years in Japan and just quit my job to move to Sydney. I also have taught Japanese to foreigners in Japan for two years. I would love to keep teaching and help. And share the fun of learning languages with
you!

I can teach all different levels; from beginners to advanced learners. Especially for beginners, I can use English to teach Japanese. Your native language is important when you learn a second language.

I have my own lesson structures but I can be very flexible. If you have textbooks or learning materials already and want to use, please bring them with
you.

Learning languages is FUN! I will show you how fun it is. If you are interested, please give me a

message or a call
:)
