Ich bevorzuge Unterricht vor Ort, aber schließe Onlineunterricht nicht aus.

Fächer:

computer science for cbse, class x-xii

Qualifikation:

Diploma in software engineering and certification from ORACLE

Niveau:

Class X-XII

Details:

Indranath is associated with IT Industry for the last 15 years in the filed of Teaching, System Analysis and software development. At the begining of his carrer he taught at about 3 years in Birla High School (Kolkata, formerly known as Hindi High School) and then continued to his main passion i.e "Software Development". In his words, these three years of teaching experience improved his way of analysis and communicating with people a lot. Simplicity in understanding of techlogogy is what he felt the main way to win over the clients and the key behind a projects success. He still loves teaching and promises the student a different way of learning with special emphasis on concepts what they can remember and apply
forever.

The main area for CBSE students is "C++ mainly Functions, Data Structures (Class, Arrays, Pointers) and file handling. He assures a student good marks (minimum 80%) if he follows his advice
properly.
