Details:

I have completed Bachelor of Science (with major subjects as Maths and Physics) and then Master of Arts in Economics (with optional subjects of Quantitative Techniques and Mathematics) from Tribhuwan University, *T* in the year 2001 . After my study, I started working in Occidental Public School as the maths teacher. In the year 2003, I was appointed as the Head of the mathematics department. I have the experince of teaching the students of grades VII to grade X.I have the special skill of making my classes interesting. Though mathematics is a tough subject, students used to wait maths class eagerly. That is where I am good. Explaining the basic things in the micro level draws the attention of students of all intellectuality levels.I am good in English as well. I have taught in English medium in my country and have secured overall band score of 7 in IELTS.
