Nachhilfelehrer/in ID: 22817

Ort: VIC 3029, Australia

Online-Option:

Ich bevorzuge Unterricht vor Ort, aber schließe Onlineunterricht nicht aus.

Fächer:

English, Mathematics, UMAT Preparation

Qualifikation:

I am a second year medical student at University of Melbourne. I was employed under Kumon--which is a Maths and English tutoring Centre, for six months. I have also worked as a teacher assistant for about 6 months, at a local high school. My role involved working with ESL students to develop effective writing and reading skills in the english
language.

Niveau:

Primary & Secondary

Details:

I'm a 2nd year Medical student at the University of Melbourne. My areas of tutoring are:
- Primary school maths, english and science
- Years 8-10 Maths, English & Science
- Yr 12 UMAT Preparation

Depending on which areas you need to focus on in your studies, we can develop a study plan and a step-by-step program for you to follow in your own time. My role essentially, will be to help you develop an effective study method, understand key concepts and ideas so that once you have progressed onto year 11/12 and/or higher school studies, you have a good conceptual background and can excel in your
endeavours!
