Details:

I am a very proffessional English Tutor who has been working for 4 years in different parts of Europe;Holland,England and now Germany with all group of age-kids to adult.I have been working as a privat tutor and as a teacher at schools for 4 years.I have a great proffesional and educational background.Here some info about my background;rnHaving graduated from Dokuz Eylül University with B.A degree-3,46 GPA out of 4,00 on English Language Teaching where I studied many Language Teaching lessons such as Methodology, Teaching Grammar,Teaching Writing and Reading, Teaching Pronunciation, Testing,Course-book Analysis, Language Teaching to Young Learners and Adults and Linguistics intensively and having teaching experience as well as participating in intensive education program which was held in Netherlands.and I have been working in different parts of Europe as a teacher for 4 years so I feel I have the neccessary required knowledge of varied and considerable aspects for your
needs
I am a conscientious,creative,talented and industrious person who shows dedication and diligence activity at any work or task I undertake.During my education,I showed initiative and organisational abilities in setting up projects and researches within my department.And upon my success in the university as a student, my teachers decided to involve me in the Socrates I.P programme.I believe, therefore I will be an asset to your learning journey:))I am looking forwrd to hearing from
you...
