Dear Sir/ Madam,

I take the liberty of writing you to apply for a position. Please accept this letter as application as a English Tutor in your
company.
My background of working experience in various companies, and the practice which I have had in my hotel experience are of a great benefit to working in your company. You will find my communication skills as well as my language skills in English, Tagalog be of a particular asset to your team. Having worked abroad has allowed me to become an independent thinker as well as a problem-solver. I find it extremely important to be a good team player and yet to take on the role of a leader when the situation calls for
it.
I believe it would be a very worthy experience to work in your company as I have much to gain not only in self-improvement and hotel operations but also in management skills. This letter and the attached CV (resume) briefly outline my work experiences. I would be grateful for an interview and can be reached at the coordinates

below.

Thank you for your consideration.

Yours faithfully,
Marcelita J. *T*
