Details:

Bonjour! My name is Alexandra and I am a very enthusiastic and patient tutor with 5 years experience of teaching foreign
languages.
I am very calm and able to detect the student's own needs and capacity to acquire a language; I have a pleasant and interactive way of teaching foreign language and plenty of experience in this domain at all levels from teaching 5-year olds going through exam preparation for GCSE and A-levels and including adult
tutoring

I prepare students for exams(GCSE and A/AS level) as well as adults for traveling or job purpose.

I like using a wide variety of resources and materials and working on the student's confidence for being able to open to speaking this beautiful
language.
