Nachhilfelehrer/in ID: 28680

Ort: A1030 Wien, Austria

Online-Option:

Ich bevorzuge Unterricht vor Ort, aber schließe Onlineunterricht nicht aus.

Fächer:

English, Mathematics, Japanese

Qualifikation:

Master's degree in music in the US, Master's work in linguistics in the US, Japanese teaching certificate for junior and senior high school, Museum curater certificate in Japan

Niveau:

English-All levels, Mathematics-In Japanese erucation, upto the first grade of senior high school, Japanese-All levels, even for Japanese as a second language

Details:

I have total of nine years of teaching experience: four years as a home tutor in Japan, two years as a private cram school tutor in Japan, three years as a universty instructor in the US (Music History, Voice Lessons, Japanese as a Second Language, Contemporary Japanese History). As I have experienced classroom teaching for elementary school which is attached to a university, I have become skilled to teach very young children as well. As I have experienced the entrance examination for the junior high school, I can handle the special mathematics problems for that.
