Details:

I have some work experience as a private tutor and I would like to pursue my career in education. I believe that I can work with a wide range of people. During my experience as both accountant and auditor I dealt with various sort of people and environments, I learnt how to cope with people in different work
groups
Furthermore, my part time work experience as a private tutor was one of the best periods in my career and helped me to understand my ability of teaching; I am patient and motivated to help students during the progress of learning. I am particularly interested in understanding the needs of my students and am flexible to modify tasks and subject matter
accordingly.
