Details:

I am an enthusiastic and motivated person. I am 33 years old and a graduate in Petroleum Engineering. I am currently a postgraduate scholar in MSc Oil and Gas Engineering at the Robert Gordon University, Aberdeen. I have sound knowledge and understanding of maths, chemistry, physics, further maths, and technical drawing. I have helped many students understand these subjects easily and pass their exams without tears. I enjoy teaching and simplifying these subjects to students at all levels. I know the common challenges students have in these subjects, and how to help them too. I make learning a fun for students and achieving their grades up to %u201CA%u201D
level.
