tutor ID: 30990

city: 49080 Osnabrück, Germany

Online option:

Ich bevorzuge Unterricht vor Ort, aber schließe Onlineunterricht nicht aus.

Subject:

English, Graphic Design, Art, Drawing

qualification:

I am fluent in English and trained as an English tutor through a language institute in Osnabrück. In addition, I have a university diploma in Graphic Design, 5 years of experience in the field of art/design/fashion (studied/worked in New York City, NY/USA, Salzburg/AUSTRIA, London/UK and have now ended up in
Germany!).

level:

Fluent in English, Professional Artist/Designer

details:

I am a very patient person and understand the struggles of learning a foreign language (as I am always learning new things in both German and French)! As well, I believe lessons should be both about what the student wants to learn as much as what I feel as important within
English.

Within the arts, I have a very broad perspective of what art is (being on two sides of the ocean frequently over the last number of years helps this!). When you wish to have extra help with your drawing skills or would like to learn technical graphic design, feel free to contact
me!
