I can help you. I am a French young professional, I studied in The University of Melbourne (Commnunications, editing, publishing) and I love to share my own language and teach
it.

Whatever your need is, just let me know and I will prepare a training for you. You can be a beginner, intermediate or advanced. I have been tutoring over a year when I was studying in Melbourne.

Tutor for highscool students for over a year. Any kind of French levels. Helping understanding the basics, the exeptions of French language compared to the English, helping to speak and to practise oral examinations. Helping to do homeworks and understanding the lessons learnt at shcool. Friendly approach, having conversations is important I believe, helps the student being confident
