VCE Chemistry Tutor Yr 11 & 12 - $30 p/h.

Hello :) I am currently studying Pharmaceutical Science at Monash University in Parkville and absolutely love everything
chemistry!

I have 4yrs previous tutoring experience with most students achieving great results. Chemistry can be an overwhelming at first, but I'll help you get on top of your fears a show you that is not so bad after all (really!) with study tips that don't fail! My very own chapter summaries are also available, which point out all the important content of the course that needs to be
mastered.

I only have spots left on Saturday's, and the private lessons will be held at Melbourne Uni Baillieu library
.
Lessons are charged at $30 an hour, but the first meeting is half price. Double lessons can also be arranged
.

A friendly approach and great results are promised!

So if you're interested, please contact me (Lisa) to organise a meeting.
