Details:

"Formally" or "formerly" - do you know which one's which? (Answer - Dress formally for a ball, even if you haven't
formerly.)

I can help you with all aspects of conversational English - written and spoken. I am a native English speaker from Australia with excellent results at high school and university. I studied German at high school for five years, so I know what it's like to learn a foreign language. I also have a TESOL certificate, specialising in Teaching Children, Teachings IELTS, Grammar, and Business English.

I charge $17 per hour and I offer a one hour free trial lesson. For students who are regularly receiving tutoring from me, I am happy to offer free email tutoring in addition. You can write me one page emails and I will correct mistakes, offer suggestions for improvement, and praise what you have done
well.

I expect students to be motivated and to be able to identify areas that they would like to work on. It is recommended that they offer suggestions as to the style of lesson that they are expecting, so that I can tailor my tutoring lessons to their
needs.
