I have 5 years teaching experience, 4 in the UK and 1 in Dubai. I have taught a broad range of ages from Yr 6-Yr 13. I have extensive knowledge of GCSE A/AS level/ IGCSE/ IA/AS Level. I have taught English Language; English First Language; English as a Second Language and English Literature

In August 2010 95% of my students achieved grades A*-C. 65% of these grades were A* or A. For 80% of my students the grade they achieved in my class was higher than in any other of their subject
s

I am available for all year tutoring or for some intensive sessions for those who require resits in November
2010
References are available on request

I have also had experience teaching Yr7-9 History and Sociology to GCSE and A level standard. In

March 2010, 2 students wanted me to tutor them for an IGCSE in Sociology although they had not studied it before. Instead of studying the course for 2 years as they normally would, we worked together twice a week for just 8 weeks until their exam and they both achieved grades 'C' and would have achieved even higher marks if it hadn't been for the time constraint
s

As an experienced teacher I understand how to assess each student on an individual basis and create a learning experience that works for them. I ensure I provide a positive atmosphere for them to work in. I push all my students to work hard and achieve their best. I can tutor on a one-to-one basis or with small groups. I also have experience supporting students with specific needs as well as those who are gifted and
talented

Whether your child needs to target specific areas, needs challenging to reach those top marks or just needs motivating to reach their potential, I can be the tutor to assist
you.
