Details:

Bonjour !rnMy name is Agathe, I'm a french native speaker that love to share my culture and my language with anyone whose interested in this
country
I can teach beginer as well as advanced people. I've learnt english, spanish and italian in school and I know how hard it can be to learn a new language but if you're motivated and patient we can go a long way
together

I'm really patient and not judgemental at all. Some people are really good with language and some people encounter more difficulties, that's not a problem, it's my job to adapt myself to your
pace
I think the best way to learn and to teach is to create a fun environment
I can provide "conversation class" as well as "grammar class"or "cultural exploration", I'll adapt my program to you, together we'll find the best way to learn fast and
efficiently
You can ask my students, no one has been disapointed so far ! :
If you think like me that learning french can be a fun and interesting experience feel free to contact me at

anytime
A bientôt !
