Details:

I have four years of experience as a tutor, teaching English and Latin to pupils with learning difficulties in the respective fields in a one-to-one setting. As a private tutor, I have taught both primary and high school
students
In addition, I have worked as assistant tutor for a history class at the University of Zurich, teaching a two-hour tutorial which involved answering students' questions concerning the material presented in the lecture and providing a forum for
discussion
I have a lot of experience when it comes to presenting complex matters in an understandable way and I greatly enjoy the challenge. I am very enthusiastic about the subjets I teach, and so far I have always succeeded in imparting this
enthusiasm:)
