Dear Sir/Madam

I am interested in applying for a teaching position,in your institute.I am a MCA post graduate of Mount carmel College,India. I have experience in taking several classroom trainings as part of my cours
e

At the present time I am working in a MNC as Senior Software Test engineer. This position helped me to be more creative and improved my analytical and problem solving skills. This position enables me to provide these students with a “head start” in mastering basic skills. I am looking for a change of profession to teaching field. I am challenged to be creative, nurturing and most of all, patient

In my B.Sc, which was a combination of Computer Science,Maths & Statistics, I have good knowledge on all 3 subject areas. I also do have experience in taking home tuitions for mathematics and computer science for high school
students

It is my goal to combine my range of experience with my ability to be a compassionate, enthusiastic, intelligent teacher who will make a positive contribution to your institute. I would welcome an interview and hope to hear from you at your earliest
convenience

Please view my resume attached along with this email

Sincerely

Elizabeth *T*
