Details:

I am a very patient and passionate tutor. I decided to tutor my own daughter after enrolling her into many different types of tuition and not getting the results i was looking for. I realised my daughter needed one on one tuition, which i found hard to come by. Hence, why I am will an able to offer other children in my area that opportunity to have one on one tuition. I would prefer to tutor primary school children maths, to assist and help in areas identified as their weakness etc. Those students with specialised studies at university i am offering tutoing in areas such as accounting or finance. I am a mentor for young offenders and strive at helping chidren in my community realise their potential and help them
successed.
