French Tutor

Niveau:

A1 to C1

Details:

Anouche is a Geneva based French as a Foreign Language tutor. Anouche has taught French to both adults and children from across the world over the last 20 years, as a professional hobby out of passion for teaching and love for the French language, making it her prime job since 2005. Non-conventional approach of French teaching through a mix of different techniques (Internet, books, written and oral exercises, conversation, in situ exercises, role-plays, interview preparation). Her classes are lively and interactive, always on top of students' needs. Although born in Geneva, she has grown up in New York City. She has studied 10 languages in total and speaks five languages

Anouche holds a Baccalaureate in Ancient Greek and Latin, thus at ease with etymology, academic and conversational French. She also holds a Master's degree in Marketing and Management from Webster University in Geneva. She has extensive experience in the financial field where she has written many financial articles both in French and English. She has also done translation work for different international
companies.
