I consider private tutoring a unique and exciting learning experience as every detail can be tailored to best fit with your individual learning needs - which makes this the ideal environment for you to gain new knowledge. To this end, I use a variety of teaching techniques reflective of my tutees. Such techniques as multi-sensory learning approaches, conversational practice, role play, imagery, games and cultural understanding will all enhance your ability to absorb and retain new information. I follow a structured and individual tailored syllabus that ensures progress is both visible to you and importantly that the knowledge you gain holds you in good stead well into the future.
