Hi!
My name is Isobel, I've recently moved to Leipzig where I am teaching at some of the language schools here. Before coming here I was studying for my BA in International politics at University in Manchester,
UK.
I have always believed that it is important for students to be comfortable and relaxed when speaking in English and so I always communicate with my students in a warm, friendly but professional way. In my lessons, I want the learner always to feel that English is not something difficult but something enjoyable and fun. I believe in creating lessons for students which they enjoy by finding out what they are interested in and preparing materials and activities that are connected to these
interests

I have experience working with many nationalities, and a wide spectrum of ages, all at various levels of English; beginner to Advanced. If you are looking for a native British speaker (English) with a helpful and friendly attitude to learning, please get in touch and we can arrange a trial lesson and see how it goes from

there

Hope to hear from you soon! :

Thanks
Isobel
