Details:

Hallo! My name is David and I come from America. I have been in Germany for about a year and I wish to offer my services as an English teacher. I have a Bachelor's Degree in English and I am a fluent native
speaker.

I have no formal training as a teacher, but I have experience learning and speaking many other languages including French, German, and Arabic. I know what it's like to adapt to other languages quickly and I know what makes learning them
enjoyable.

I am happy to offer my assistance in any way I can to students of any age and level who wish to improve their English skills. I believe that conversation is the best way to learn a language and so the lessons will normally feel a little less formal. If there are aspects of the language you wish to practice and improve such as grammar, sentence structure, idioms, and proper responses to certain situations, then we can incorporate them into our
sessions.

I prefer to work with students in person so to meet at home or at another public location would be best. I am able to travel as far as Mainz and Wiesbaden but I am closest to the vicinity of Alzey. Feel free to contact me any time via email or phone if you have any questions or wish to organize a meeting
.

Many thanks,

David
